Local Concept Development Study for the Clay Street Bridge over the Passaic River in the Borough of East Newark, Hudson County, NJ and the City of Newark, Essex County, NJ

Public Information Center Meeting Notice

Local Concept Development Study Hudson County / Essex County Clay Street Bridge over the Passaic River Borough of East Newark and City of Newark, New Jersey

Hudson County and Essex County, in cooperation with the North Jersey Transportation Planning Authority, the New Jersey Department of Transportation, and the Federal Highway Administration, will be hosting two Public Information Center meetings to inform local residents, officials, businesses and the general public of the Local Concept Development Study for Clay Street Bridge over the Passaic River located between the Borough of East Newark and the City of Newark.

The purpose of these Public Information Center meetings are to inform the public of the condition of the bridge and to solicit public input and comment towards the project purpose and need. These meetings are being conducted in conformance with Federal and State regulations. The public is invited and encouraged to comment on the Study. The public may attend either or both open house format meetings. County and support staff will be available to answer any questions. These meetings are open to all members of the public.
